4-5		2-3		0-1		Score	
GOALS	Project goals are clearly described and thoroughly documented. There is a clear alignment with at least one of the Kent County Oral Health Coalition Community plan goals. Goals for the project distinctly address a way to increase or improve one or more of the following: oral health access, education, or awareness and the process to doing so is very clear.	Project goals are adequately described and documented. There is somewhat of an alignment with at least one of the Kent County Oral Health Coalition Community plan goals. Goals for the project address a way to increase or improve one or more of the following: oral health access, education, or awareness and the process to doing so is somewhat clear.	Project goals difficult to understand. There is no alignment with the Kent County Oral Health Coalition Community plan goals. Goals for the project do not address a way to increase or improve one or more of the following: oral health access, education, or awareness.				
DESIGN	Robust project design with activities that are well defined, fully explained and linked to described project goals.	Moderate project design with activities that are some-what defined and adequately linked to described project goals.	Unclear project design with activities that are not linked to described project goals.				
EVALUATION	Proposal includes a strong evaluation process that measures the success and impact of the project.	Proposal includes an evaluation process that measures the success and impact of the project.	Proposal does not include an evaluation process that measures the success and impact of the project.				
BUDGET	Budget is complete and well supported by the budget narrative. Budget is cost effective and linked to project goals.	Budget is complete and somewhat supported by budget narrative. Budget is cost effective but the link to project goals is unclear.	Proposal does not contain a budget or budget narrative.				

Notes:
